SPRING 2020

Thermal Detection Series

02 SAFETY PLANNING INTO THE FUTURE

COVID-19 has changed our threat landscape.

We have created a new series of thermal products that will help you get back to business safely and help protect your business into the future

THE THERMAL DETECTION SERIES

DELPHI

LOGOS

APOLLO

THE THERMAL DETECTION SERIES

DELPHI

Standing pole-mounted body thermometer

The Delphi is a non-contact temperature measuring instrument that measures wrist temperature. It provides abnormal alarm and counting features and is mounted on a pole with adjustable heights.

Price: \$1,600

THE THERMAL DETECTION SERIES

LOGOS

Body thermometer and metal detector

The Logos is a walk-through security gate with metal detection and temperature measurement functions. The Logos can detect tiny metals with high accuracy and offers a LCD screen for easy operation.

Price: \$3,500

Product Key Features

Different Products for Various Applications

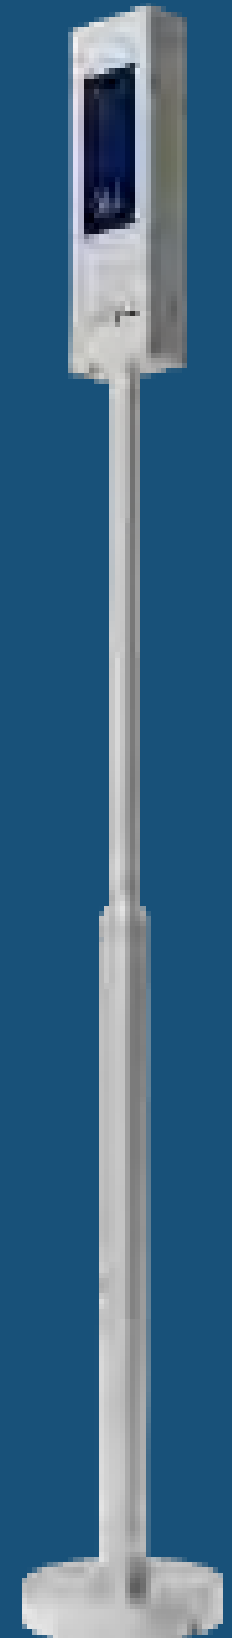

The Delphi

Key Features

- Quick Fever Detection, 20-30 persons a minute
- Real-time audible alarm
- Accurate measurement 0.3° C deviation
- No contact wrist measurement
- Quick deployment within 1 minute
- Suitable for schools, enterprise, warehouses, retail, and apartments
- 3-year warranty

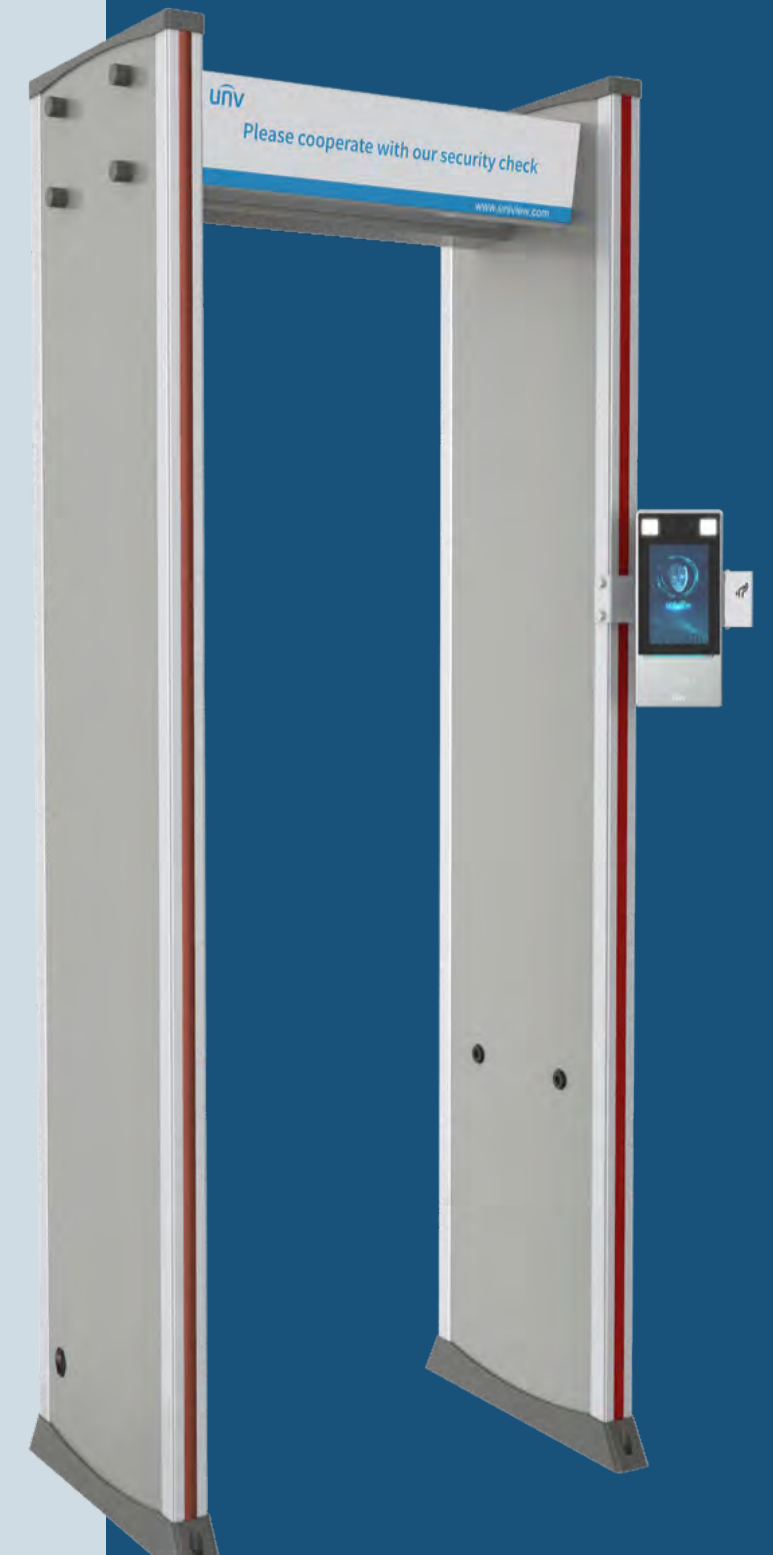

The Logos

Key Features

- High sensitivity metal detector
- Adjustable sensitivity levels
- Non contact measurement
- Real time temperature display
- Real time alarm
- $\leq 0.3^\circ\text{C}$ Accuracy
- 1-2.5cm measuring distance
- 7" Touchscreen & 5.7 inch LCD
- Modular design
- 3 Year warranty

The Apollo

Key Features

- Tracks temps in motion with $\leq +0.3^{\circ}\text{C}$ accuracy
- $32^{\circ}\text{C} \sim 42^{\circ}\text{C}$ range
- Blackbody included
- Dual spectrum
- Automatic calibration
- Tripods included
- Software included
- Automatic high temperature image capture
- 3 Year warranty

What Macro can do for you...

Free Consultations

Every application has different considerations and recommendations. We are happy to discuss and help you make the best decision.

Remote Installation Consult

Need support setting up these products? We can provide dedicated installation support remotely in addition to the price.

On-site Installations

If you don't want to install these products yourself, no problem. We can provide you with an installation quote as well.

Lifetime Technical Support

If you are a Macro customer, you get lifetime access to our technical support!
